

DREAMING OF A BUSH GETAWAY

We understand that lockdown has had us all longing for wide open spaces, surrounded by nothing but nature. No noise but for the rustle of an elephant walking through the bush or the cry of hyaena as the sun sets. We look forward to seeing you return safely.

An exclusive lodge within the Kruger National Park, Imbali Safari Lodge continues the safari tradition of a bygone era. The 10 000 hectare private Mluwati concession allows for open 4x4 Safaris and walking safaris conducted by qualified and knowledgeable guides. The vehicles traverse this wilderness vehicle both on the concession's private road network as well as off-road. Of course the lodge vehicles also have access to the Kruger National Park's road network. Adjoining the Sabi Sands this area of Kruger is one of the best game viewing areas in Africa.

Individual thatched suites offer relaxing and spacious accommodation. Victorian baths and showers with views of the bush will further delight our discerning guests.
